

Koh Phangan Wedding Quotation

Accommodation

Choose your wedding venue from the list of resorts and hotels on the Koh Phangan TV website and then combine this with a wedding package which can be tailored to suit your needs and requirements. Prices will vary slightly from hotel to hotel however the prices below will give an approximate idea of costs and options. Koh Phangan TV is happy to recommend resorts that will suit your celebration depending upon numbers, budget and other requirements. In some instances bulk discounts can be made depending upon numbers and time of year. Low season out of full moon for example will bring the most savings.

The wedding packages below are non religious and offer a wedding blessing and ceremony in front of friends and family with the backdrop of the wonderful Island of Koh Phangan. Most couples find that it is easier to marry officially in their own country and then conduct the celebration and ceremony in Thailand. This is easier for paperwork and maximizes your time and honeymoon in Thailand. The costs and options below are based this style of wedding.

For wedding dresses and tailored jackets for the groom these can either be ordered in Bangkok should a few days be spent in the Capital prior to arriving in Koh Phangan or a short trip to Koh Samui can be made to visit one of the many tailors that are offering their services. Please allow a few days before the ceremony so that the tailor can finish on time.
